# SPEEDO ENDURANCE+ FABRIC

Speedo®'s exclusive Endurance+ is our longest lasting and best selling training suit fabric for a reason. It has 100% chlorine resistance, superior color retention, and its unique Four-Way Stretch technology maintains a body hugging shape and soft comfort longer than conventional swimwear.

# XTRA LIFE LYCRA® FIBER

Swimsuits have to contend with some pretty harsh stuff: chlorine, perspiration, greasy oils found in sunblock, and stretching from constant use. Designed with those challenges in mind, Xtra Life LYCRA® fiber resists deterioration and maintains its shape 5-10 times longer than spandex. That's why it's the new standard in swimwear fabric.
